Any doubts? Contact the International Centre. Class or exam schedules can not be adjusted to suit a late arrival or an early departure. **We do NOT facilitate (resit) exams abroad.**
2. Please be aware that it is NOT possible to start the study programme two weeks after the start of the lectures, as it is too late to participate.
3. Please note that the rental period for the housing is for a fixed period. It is not possible to get a refund if you arrive in Amsterdam later, or if you return to your home country before the end of your rental period. Signing the rental contract shows that the student is in agreement with the rental conditions.
