The Aviation Academy organises the Career Fair together with the Amsterdam Aviation Student Association. After your registration as an exhibitor you will receive a contact person (a highly motivated student) who will assist you before and during the Career Fair. You can approach your contact with all kinds of questions but you can also ask him/her to take over the stand for a short time until you rest a little.
As a main point of contact you can always approach the event manager: Viktória Balla-Kamper, T: +31 (0)6 211 57720; E: v.balla-kamper@hva.nl.
