Brief Description

Major Business French - enables students to develop the communication skills to function in a work environment in which the language is spoken.

There will be 8 hours of tutorials given per week, in which various teaching methods will be used such as; discussion in groups, participation in a forum, guest lectures, specific support workshops, doing research, discuss and share knowledge on cultural, political and social topics in the Francophone world, individual and peer practice on the 4 language competencies, building an online showcase portfolio and receive feedback on delivered products and reflection.

Learning Goals

The student can:

- Listening and reading – B2

Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialisation.

- Writing and speaking – B2

Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.
