

Faculty of Education

From our campus in central Amsterdam in the Netherlands, the Faculty of Education (FE) offers a variety of Bachelor's, Master's, Associate degree and Exchange programmes in the field of teacher education and pedagogics. The multicultural, urban and international atmosphere of Amsterdam is an integral part of teaching, learning and research at our faculty. We have a strong focus on urban education and maintain close ties with schools and pedagogical institutions in the city of Amsterdam and partners internationally.

The Faculty of Education is one of seven faculties at the Amsterdam University of Applied Sciences, the largest university of applied sciences in the Netherlands.

Research expertise

Centre for Applied Research

Our faculty research expertise is organised within the Centre for Applied Research on Education. Research conducted by professors, researchers and students focuses on continuously improving the quality of education and innovations in professional practice. Our research groups focus on the following themes: Promising School Careers in a Diverse City; Social Studies Education; Teacher Development and School Innovation; Learning and Instruction; Pedagogy; Science and Mathematics Education; and Citizenship Education.

Centre of Expertise

From the Centres of Expertise, professors, lecturers and researchers cooperate with partners outside of our university of applied sciences: other knowledge institutions, companies and civil society organisations, government and citizens to address the challenges that arise in the diverse city of Amsterdam.

Collaboration

We have close ties with schools and institutions across the city of Amsterdam and beyond. There are many ways to collaborate with us. Motivated students, lecturers and researchers are eager to welcome guest lecturers to our programmes and ready to work on research assignments and teaching internships.

Contact

Would you like to collaborate with us or do you have questions? Our International Offices are the first point of contact for education-related questions in the English language. They can connect you with the right person at the AUAS.
