

## How to set up your student email account on an iPhone

1. Go to *Mail, Contacts* and *Calendars* and click *Add Account*

2. Select *Microsoft Exchange*

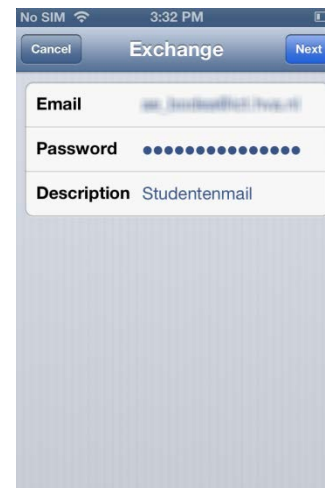

3. Enter the following information:

**Email:** Your AUAS email address.

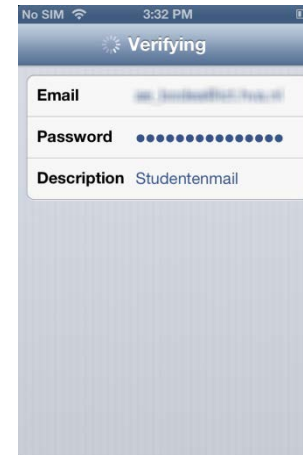

**Username:** Your AUAS ID +  
@hva.nl

**Password:** Your password

**Description:** You can add a description, for example 'AUAS email account'. Click *Next*.

4. Your iPhone is trying to connect with the server. Click *Next* once the connection has been made.

5. Select the items you want to synchronize with your iPhone. Click *Save*.
