

## JOHAN, 6 YEAR OLD, CAUGHT BEHIND THE BUSHES.

Johan, 6 years old, has been displaying abusive behaviour towards boys of his own age. He lures the other boys away from supervision and gets them to take their pants off to suck their penises. Johan is placed in residential care due to severe neglect and domestic violence. Sam, another 6 year old, tells you he saw two boys, one of which was Johan, standing in front of each other half naked behind the bushes in the playground.
