

MICHELLE, SELLS PICTURES OF HERSELF...

Michelle, 15, is living with her foster parents. She has been placed in foster care due to neglect and sexual abuse by her stepfather. She has her own computer in her bedroom, and she has a new boyfriend, who is 18.

They often chat with each other and play games via the internet. They often talk about sex and how it would be to have sex together. Michelle is also very curious. Her boyfriend tells her she should show her breasts on camera and she agrees.

Now Michelle has disclosed to her biological mother that she has shown her breasts on the internet, not only to her boyfriend, but also to his friends, for money.
