

# VIDEO ON COMPREHENSIVE SEX EDUCATION

## PURPOSE OF THE EXERCISE:

- Students are informed about the Dutch approach towards sex-education
- Students are aware about their own norms and values towards sex-education

## TIMING:

30 minutes – 1,5 hour

## NEEDED MATERIAL:

<https://www.youtube.com/watch?v=50izsaMwcrs> (Dutch lessons in love part 1)

<https://www.youtube.com/watch?v=Yz59The52xU> (Dutch lessons in love part 2)

## HOW TO CONDUCT THE EXERCISE:

Students watch the video afterwards students talk with a student from another country about:

- The way they have had sex-education
- What they think about the Dutch approach and if the Dutch approach would succeed in their home country.

## SUGGESTIONS:

You could also stimulate students to talk with each other about regulations in their home country:

- o At which age it is legally allowed to have sexual intercourse
- o If it is allowed that minors have sex with adults
- o If prostitution is allowed
- o What you have to do as a social careworker when you have some suspicions about sexual abuse.
- o In what way will a perpetrator be punished in your home country?

## THEORETICAL BACKGROUND:

National protocols and laws
