

# HOGENT SUMMER SCHOOL 2023

## IMPROVING QUALITY OF LIFE THROUGH QUALITY OF CARE

HOGENT in Collaboration with Mountains of the Moon University and the International Association for the Scientific Study of Intellectual and Developmental Disabilities is proud to present the fourth Summer School: “Improving the Quality of Life through the Quality of Care” in Uganda.

The Summer School consists of a 2-week interdisciplinary program with lectures, visits and group activities designed to give students opportunities to learn how Quality of Care can improve the Quality of Life of specific target groups in socially vulnerable situation. It features contributions from several of our long-lasting and valued international academic partners.

The Summer School aims at bachelor students who have acquired at least 60% of their study program. It is set to foster interdisciplinary and intercultural learning for students within the broad study fields of health promotion as Nursing, Education, Speech Therapy, Social Work, Dietetics & Nutrition, Laboratory Technics, Occupational Therapy, Special Needs Education, Psychology.

Besides theoretic lectures in various fields, the Summer School provides visits to local organizations and support providers as well a cultural program full of recreational trips and evenings.
